

Emails Reveal CDC Changed Definition of “Vaccine” and “Vaccination” Because Their Experimental COVID Shots Didn’t Work as Advertised

Investigative reporter and attorney **Techno Fog** obtained CDC emails recently via a FOIA request that explain why they changed the definition of “vaccine” and “vaccination” on their government website.

The simple answer is because the experimental “vaccines” did not work and Americans were wising up to this fact. According to CDC emails this was “problematic and people are using it to claim the COVID-19 vaccine is not a vaccine based on our own definition”

So rather than reporting the truth to the American public – the CDC decided instead to change the meaning of the words “vaccination” and ‘vaccines.’”

Why did the CDC change the definition of "Vaccine"?

We obtained CDC emails via FOIA for the answer.

CDC emails:
Our vaccine definition is "problematic and people are using it to claim the COVID-19 vaccine is not a vaccine based on our own definition"

CDC Emails: Our Definition of Vaccine is "Problematic"
CDC: Problematic Vaccine? No, Problematic Definition of Vaccine.

CDC emails we obtained via the Freedom of Information Act reveal CDC worries with how the performance of the COVID-19 vaccines didn't match the CDC's own definition of "vaccine"/"vaccination". The CDC's Ministry of Truth went hard at work in the face of legitimate public questions on this issue.

In one August 2021 e-mail, a CDC employee cited to complaints that "Right-wing covid-19 deniers are using your 'vaccine' definition to argue that mRNA vaccines are not vaccines..."

Getting no response, there was a follow-up e-mail a week later: "The definition of vaccine we have posted is problematic and people are using it

to claim the COVID-19 vaccine is not a vaccine based on our own definition.”

The change of the “vaccination” definition was eventually approved on August 31. The next day, on September 1, they approved the change to the “vaccine” definition from discussing immunity to protection...

At first glance, this looks like criminal activity. If a private company played word games like this with their product the government would have them shut down or fined. The CDC does this and nothing happens.

These people just got caught in another major lie. It’s about time they face justice.

As I commented elsewhere, this definition means we can take

ivermectin or hydroxychloroquine and say we've been vaccinated, right? Because they '***stimulate the body's immune response',too.***

I watched the Wake Forest, North Carolina football game, yesterday. At the end of the game at least 10,000 fans flocked onto the field in super close quarters. Similar sights from previous weeks. No spike in the China virus. Masks are to keep the herd under control.. Almost as ludicrous as requiring shots.

We should already know by now that the cdc, and the fda are as corrupted as F! Nothing they put out should be trusted or adhered to. They're serving one purpose and that's to continue pushing the narratives that are being forced down our throats by a very corrupt anti-American presidency.

Democrats love to change the definitions of words to change the narrative. Remember when "liberal" meant open minded, compassionate and tolerant? Not close minded, hateful and intolerant? It was not long ago. Then came Obama.

"The Science" c. 2021 is purely an art of linguistics.

Vaccines are no longer vaccines.

Natural immunity is no longer a thing.

Herd immunity is no longer a thing

They may not have worked as "advertised" but they are working as they planned... What didn't work was too many people weren't stupid enough to take their "Vax".

If they haven't already, they will change the rules for what constitutes a "pandemic" and what constitutes "emergency use"... to cover the fact that there was/is neither.

It is clear that the globalists own the twisted "monopoly" game we are playing. They are always the bankers controlling the money. We get to run around the board collecting \$200 and go to jail for their amusement, while they collect rent and change the game rules at will.

All we have to do is not play their game anymore. without us, there is no game.

Stop feeding the parasites and they will die. Do not comply.

Nazis. Everone of these people are Nazis and push their Nazism agendas day in and day out. With mandates they shove Nazism down your throat. I could send you all kinds of web sites to back my theory of Nazism up, but you cannot do that any longer
