

MANDATE RESOURCES

The COVID vaccine mandates are illegal and unconstitutional.

While they are increasingly being thrown out by courts, learn about your rights by visiting these resources below.

Exemption Webinar

The law firm of Siri & Glimstad offer this informative webinar on how to seek a medical or religious exemption to a vaccination requirement. Since medical exemptions must be documented by a medical professional, this video primarily focuses on properly writing a letter seeking a religious exemption to a vaccine. The cost is \$120. Be prepared to take notes.

This webinar is free for military personnel.
